

**AMBER  
ALERT**

U.S. Department of Justice (DOJ), Office of Justice Programs (OJP) and  
Office of Juvenile Justice and Delinquency Prevention Programs (OJJDP) are pleased to announce:

## Investigative Strategies for Child Abduction Cases

April 20-23, 2015 | Columbus, OH

### Training Description

This training is designed to provide law enforcement investigators and investigative supervisors with the information necessary to properly understand, recognize, and investigate cases involving missing and abducted children.

Participants will get an overview covering scope and scale issues related to missing and abducted children as well as available resources. Participants will become familiar with how to manage a missing or abducted child case including initial response as well as an overview of interviewing and interrogation techniques. The training then delves deeper as participants explore crime scene evidence collection and processing, profiling suspects and legal issues including search warrants and interrogation related to a missing or abducted child.

### Who Should Attend

Investigative personnel for law enforcement and other government-related child protection agencies are strongly encouraged to attend.

View Training Agenda: [Draft Agenda](#)

### Training Fee

There is **NO FEE** to attend this training; however, pre-registration is required. The deadline to register is **March 9, 2015**.

Tuition, student materials, and instructional costs are provided by the AMBER Alert Training & Technical Assistance Program.

### Training Location
